

*“Unless you have worked  
and lived in the Alaska bush,...*

**Mark Kelso, D.D.S.**  
*Chief of Dental Services  
Norton Sound Health Corporation  
Nome, Alaska*

...you cannot conceive of the level of need we dentists confront on a daily basis, and the amount of resources that are required to provide even the most basic kinds of care. I support Dental Health Aides in rural Alaska. I envision them educating patients as well as sealing, fluoridating, cleaning, filling, and extracting teeth as needed.”
