

On August 29-30, 2011, the Alaska Native Epidemiology Center (EpiCenter) is offering a training workshop on "Program Evaluation". The instructor will be Dr. Mark Dignan, Ph.D., MPH, who is a professor in the Department of Internal Medicine and Director of the Prevention Research Center at the University of Kentucky. Space is limited to 30 participants. Travel assistance may be available to those outside the Anchorage/Mat-Su area. The registration fee for this training will be \$150.00.

Please turn in completed applications **before 5:00 p.m. on July 26th, 2011**. Applications will be evaluated and notice of acceptance will be sent on or before August 1, 2011. They may be submitted electronically via e-mail at: [anepicenter@anthc.org](mailto:anepicenter@anthc.org) or by fax at: (907) 729-4569. Note: Upon notification of acceptance, method of payment will be requested.
