Even though I am embarrassed to even admit that this happened to me and my family I thought I would share what happened to us last night. Me, my thirteen year old son and my four year old were in a boat accident last night. And me not knowing anything about swimming was saved by wearing a life jacket. It happened so fast that all I remember was I was under water for I don't know how long and I guess I was pulled up the life jacket. My two son's were also wearing them and wearing the life jacket's saved their lives.

I thank God for saving our lives.

Please if you are going on a boat **WEAR YOUR LIFE JACKETS.**
