NARRATIVE: The narrative should focus on the officer's contributions, their significance, and how the officer's actions have compared to or exceeded what is expected of an officer of this grade and experience. Routine responsibilities and career progression should be included only to establish the context for the actions cited. The cited actions, their impact and significance are important and should be stated clearly. If the use of technical terms is required, the nomination should contain clarifying statements that are understandable to a multidisciplinary Board. The actions cited must fall within the period covered by the nomination. If the officer has received an honor award in the period cited or for earlier actions that may seem similar or overlapping with those in the current nomination, the nomination should clarify the basis for the prior award(s) and the relevance or nonrelevance to the present nomination. The narrative shall not exceed two single spaced typed pages with 1" margins. Times News Roman 12pt type style is preferred, but a comparable font that would provide no less than 12pt and no more than 12 characters per inch can be used. Ask your OPDIV or Non-HHS Organization Awards Coordinator for guidance in preparing award nominations.
