

## Telemedicine Research Study Survey Participants Needed

ANTHC is doing a research study. We want to learn about how well telemedicine (video visits) works for people with rheumatoid arthritis.

### You may be eligible for this study if you:

- Have ever been seen by telemedicine (video visits) for rheumatoid arthritis
- Have rheumatoid arthritis but have not used telemedicine (video visits)
- Are age 18 or older

### If you agree to join the study you will be asked to:

- Complete a brief survey.
- Allow study staff to review your medical records pertaining to the study.
- You will receive \$10 as a thank you for your time.
