

COVID-19 Testing Sites FAQs

Can I send my patient over to the testing site after I place a COVID-19 test order?

Yes, but the patient will need to pre-register at <https://covid19test.anmc.org> in order for the testing site encounter to be created. Pre-registration cannot be done more than 48 hours in advance of when the test needs to be done.

The order you enter will also need to be a “Future On-hold” order for the testing staff to activate once the patient presents to the testing site.

Why should I place a COVID-19 order for my patient, when they can place the order at the testing site?

Placing a “Future On-hold” order will allow the correct provider to get the results and is best practice if the order is for pre-procedure clearance.

What COVID-19 test order do I place for my patient?

The order needs to be a “Future On-hold” order.

- Pre-procedure clearance – COVID-19 PCR ASYMPTOMATIC SCREEN (In-House); Specimen Type: Nasal swab; Collection Priority: ASAP; ADD PROCEDURE AND PROCEDURE DATE IN THE DETAILS
- Symptomatic testing – COVID-19 PCR (In-House); Specimen Type: Nasal swab; Collection Priority: ASAP; add symptoms in the details
- Asymptomatic testing – COVID-19 ASYMPTOMATIC SCREEN (In-House); Specimen Type: Nasal swab; add reason for test in the details

Does my patient need to pre-register even if I place a Future On-hold order for their test?

If you create an encounter for the testing site (ULPB SpecimenCS) for the date of testing (+/- 2 days), the patient will not need to pre-register.

If you DO NOT create the encounter (ULPB SpecimenCS), YES, the patient will need to pre-register at <https://covid19test.anmc.org>.

How far in advance does my patient need to pre-register?

Pre-registration is allowed 48 hours or less from the date that the test is needed.

What are the options for COVID-19 testing?

The main option is the ANMC drive-thru testing site. Those who come to the drive-thru will need to be able to self-swab and will also need a working mobile phone. The address for the drive-thru site is 3925 Tudor Centre Drive, and is open from 9 a.m.-7 p.m. Monday-Saturday and 10 a.m.-6 p.m. on Sunday.

For those who cannot self-swab or who do not have a working mobile phone, the walk-up testing site is available. The address for the walk-up site is 4043 Tudor Centre Drive, and is open from 10 a.m.-12 p.m. and 4-6 p.m. everyday.

Is there a COVID-19 test in the hospital that I can pick up to swab myself as an employee?

Yes, pre-register for the employee self-test at <https://covid19test.anmc.org> to be able to pick up a test kit at Employee Health (across from ANMC Conference Room 3) Monday-Friday from 7 a.m.-4 p.m.

Remember this option is for asymptomatic testing only.

How often can I get tested for COVID-19?

Testing is allowed once every 7 days, unless your status has changed.

Can the testing site provide me with my test results?

No, myHealth or Medical Records is where patients and employees can go to get their results. To get set up for myHealth, please call Admitting at 729-1395.

What kind of swabbing technique is being done at the testing site?

Only nasal swabbing is performed at the testing sites.

What is the address and the hours of operation for the Walk-up COVID-19 Testing site?

The address for the walk-up site is 4043 Tudor Centre Drive, and is open from 10 a.m.-12 p.m. and 4-6 p.m. every day. Asymptomatic preferred.
