ALPAR 2022 bag order

Instructions:

1. email to director@alparalaska.com
2. **Wait for instructions from ALPAR:**
do not send payment right away
Depending on your selection, we will confirm the amount we can send to you as well as send you an invoice.
3. Order early: it can take 2-4 weeks for bags to reach you. This year's order is expected to reach Alaska in March.

If you have bags left over from previous years, use those before ordering.

ALPAR bags are free to assist in litter prevention/recycling, however depending on how bags reach you, charges apply.

****Wait for confirmation and invoice from ALPAR before sending payment****

bags:
2022
order**

- One entity per community is allowed to participate in each of the following: Flying Cans/Flying Bottles, Youth Litter Patrol, or community cleanup efforts. This allows bags to be deployed effectively.
- Community population and/or amount of cans sent in determines how many cases you may receive; quantities are limited. If your request exceeds the allotment, we will ask for an explanation.

Fax (907-274-8023) or email to director@alparalaska.com
