Difficulty gathering heavy freezers from landfill, have to get volunteer help from spouse

-if you want to clean up the landfill you have to work with the city, because they usually own it

-hard to keep refuse collectors/solid waste technician due to low hours per week

**-lack of equipment  
-other projects in village using the heavy equipment**

**Labor turnover/lack of laborers**

**Weather impedes travel for consultants and contractors to the village to begin projects**

*Influx of jobs here w good pay  
hard to get laborers*

**-2 airlines no longer here (Everts & NAC)-lynden only cargo now**
