

# The following pages of recorded content is from a collaboration with the Alaska Infectious Disease ECHO – HCV, HIV, PrEP, STI Series

## Approved Provider Statements:

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Alaska Native Medical Center (ANMC) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.  
CPE Credit will be posted to the online CPE Monitor system within 60 days following completion of each activity when applicable.

*The ANMC Joint Accreditation CE Program Portfolio additionally supports Behavioral Health (APA), Social Work (ASWB-ACE), and Dietitians (CPEU).*

## Contact Hours:

ANMC designates each recorded or enduring activity for a maximum of 1 contact hour. Please reference the expiration date stated with each recording for full disclosure of availability.

## Financial Disclosures:

Youssef Barbour, MD & Lisa Townshend-Bulson, APRN / faculty for this educational event, are primary investigators (PI) in an ANTHC sponsored hepatitis C study funded in part by Gilead Sciences. Dr. Jorge Mera / faculty of Congenital Syphilis is a PI or sits on the advisory board for Gilead Sciences, AbbVie's Pharmaceuticals, Merck, Roche Diagnostics. All of the relevant financial relationships listed have been mitigated.

## Requirements for Successful Completion:

To receive CE credit please make sure you engaged with the full recorded content and then complete the electronic survey associated with the recording (additional QR Code or URL) for the automated delivery of the CE-CME PDF to the email you share.

## Alaska ID ECHO: HCV-HIV-PrEP-STIs

Learn together, care together.

**ANTHC's Liver Disease and Hepatitis Program, HIV Clinical Services, Behavioral Health Department and Southcentral Foundation's Pharmacists** have partnered with the **Northwest Portland Area Indian Health Board** to expand the AK Hepatitis C (HCV) ECHO to include human immunodeficiency virus (HIV), pre-exposure prophylaxis (PrEP), and sexually transmitted infections (STIs).

During April of 2023 a Four-Part PrEP ECHO Mini-Series was recorded in order to provide enduring access to this valuable content.

**The access to claim accredited continuing education expires APRIL 30, 2025.**

**Each session provides 1.0 contact hour of accredited CE credit including 1.0 contact hour of pharmacological credit for APRNs.**
