MEDICAL CENTER

Fairbanks Syndemic Clinical Training

ANTHC's Liver Disease and Hepatitis Program, HIV/Early Intervention Services and Northwest Portland Area Indian Health Board's IndianCountryECHO.org program partnered with Tanana Chiefs Conference to host this training.

The one-day training was held in Fairbanks, Alaska, for in-person and virtual participation on April 9 and April 10 of 2025.

The recorded training presentations have been grouped into five sessions and are available for enduring CEs. The training includes clinical education on substance use disorder (SUD), Hepatitis C, HIV/STIs, as well as stigma and harm reduction.
